By copy of this letter, field elements of affected generators are also notified of their FY 2004 WRM numbers and are requested to notify their contractors or staff. This letter becomes effective October 1, 2003. Issuance of these numbers has no bearing on existing funding. Availability of funding must be ascertained prior to shipment through the appropriate contractor offices. FY 2003 WRM numbers were issued under separate cover.

The Government considers this action to be within the scope of the existing contract and, therefore, the action does not involve or authorize any delay in delivery or additional cost to the Government, either direct or indirect.

If you have any questions, please contact me, or your staff may contact Rudy Guercia, Waste Management Division, on (509) 376-5494.

Sincerely,

Keith A. Klein
Manager
